the location itself

What kind of building is it, for example, a modern town house, mansion house, country cottage etc.

Is the location occupied all year?

Approximate date the building was constructed:

Architect if known:

Are you happy for:

- (a) interiors only to be used,
- (b) exteriors only to be used,
- (c) both to be used.

We do realise that the type and scale of production will influence your decision on what is used. The choice is always left up to the owner.

What sort of condition is the building in e.g. fully modernised/ restored but retaining original features/ disused etc:

Features: Please use this space to describe any unusual feature of the property. Some examples might be: Spiral staircase, long corridors, wood panelling, type of stone, turrets, garden loch or pond, verandahs or balcony. Please feel free to list as many features as you wish. Please use over the page if necessary.

the surrounding area

If filming were to take place at this location we need to know some information on the external surroundings.

If the location is a property, is there any external features that may be of interest? e.g. Stables, cobbled yard, walled gardens, tennis courts etc.

What is the access to the location like? Please describe the condition of the approach roads.

What parking facilities would be available to a visiting crew?

Is there any external noise that may have to be taken into consideration, e.g. is it next to a busy road?

Is the location open to the public, and if yes during which months?

Thank you very much for taking time to complete this form. We may contact you in the future to arrange a visit to the property by a member of staff. All details of your location will be held in the SWSSC office and will not be passed to third parties without prior consent.

Any filming that takes place on your property is subject to individual negotiations with the production company concerned and entirely at your own discretion.
